Get paid faster

Enroll for electronic claim payments and remittance advice using Humana's ERA/EFT Enrollment app.

The tool enables you to:

- Receive payments via electronic funds transfer (EFT) into your choice of bank account(s)
- Receive electronic remittance advice (ERA) via your clearinghouse or download remits online via Availity's secure provider portal, Availity Essentials
- Review previous ERA/EFT enrollment requests and check their status

Enroll by NPI or TIN

Humana offers enrollment by National Provider Identifier (NPI). This means you can have your organization's claim payments deposited in different bank accounts based on NPI. Or, if you prefer, you can have claim payments for an entire Tax Identification Number (TIN) deposited in a single bank account. The choice is yours.
